Frequently Asked Questions

1. IS THERE A CHARGE FOR LISTING PRODUCTS?

No. However, we do offer enhancements to your listings (pictures, URL links, pop-to-the-top search result priority, etc.) for a fee. Call our sales department for more information at (800) 787-1931.

2. HOW MANY PRODUCTS CAN I LIST?

There is no limit.

3. WHAT IF THERE IS NOT AN APPROPRIATE CATEGORY FOR MY PRODUCT?

Please make a note on your forms indicating what you believe would be an appropriate category for your product. Your information will be sent to Kestrel's clinical editor who will determine whether or not a new category needs to be created.

4. CAN I SUBMIT LISTINGS ONLINE?

Kestrel does not currently have this capability. However, we expect this to be an option for next year's edition.

5. WHAT IS YOUR SHIPPING ADDRESS?

206 Commerce Street – Hinesburg, VT 05461

6. CAN I FAX THE LISTINGS BACK?

We prefer listings to be mailed in since we need to gather your product literature. If necessary, fax forms with supporting literature to 802-329-2077. Attention: Editorial Department.

7. WHO REVIEWS THE INFORMATION OUR COMPANY SENDS YOU?

We hire clinical experts to review your information. If our clinical editor has any questions about what you have submitted, we will contact you. If you have any questions for our clinical editor, please send them with your submission.

8. WHAT IF I AM INTERESTED IN ADVERTISING ON YOUR SITE?

Please review the sales information included in this packet and call Tim Reimer, Director

Step 2

Describe Your Product

PRODUCT _____ of _____ (To submit additional products, photocopy this form.)

PRODUCT NAME: (Do not use all caps. Include trademark symbol, if applicable.)

HCPCS CODE: (SADMERC letter must accompany this form for the code to be published.)

COMPANY NAME:

DESCRIPTION: (Must be 50 words or less; longer descriptions may be edited. Do not use product name in description. Avoid claims and strong sales language.)

HOW SUPPLIED/SIZING:

Step 3

Choose a Category for Your Product

Choose a Category/Product Type from the "Category, Product Type and Features" sheet. Place the number corresponding to your product's Category/Product Type in the box at left. Example: The number for Apparel/Face Shields is 4.

Step 4

Select the Features that Fit Your Product

Now that you have selected a Category/Product Type, you are ready to select from a list of Features that may further describe your product. Find your Category/Product Type (from Step 3) and refer to the list of Features below it. Select the Feature(s) that fit your product and place the corresponding number(s) below.

Step 5

Attach Supporting Documents for Your Product

In order for your product to appear on *InfectionControlSource.com*, our editors must review your Supporting Documents. Supporting Documents include published product literature and/or package inserts. Submissions without Supporting Documents cannot be published. Clip your Supporting Documents to this page.
